Head of the Institute	Message
 <p>Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p>Prof. M. V. Kanthi HOD</p>	<p>The department of Civil Engineering was established in the year 2009. The department offers four years Bachelors Degree (B. E.) course in Civil Engineering and two years Post Graduate course (M. Tech.) in Waste Water Management, Health & Safety Engineering. The department is a recognised research centre under Visvesvaraya Technological University, Belagavi since 2017. The department has well qualified faculty, with good experience in academics, research and industry. To impart quality education the department has ICT enabled spacious class rooms and state of the art laboratory facilities. Department library holds a good number of books, references and study materials.</p> <p>It has been a continuous endeavour to provide a strong foundation in basic sciences and technical knowledge to students make students globally competent. Apart from giving the fundamental inputs to the aspiring students, they are also exposed to the recent developments in construction industry by means of industry-institute interaction.</p>

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

AITM

Department Vision and Mission

Vision:

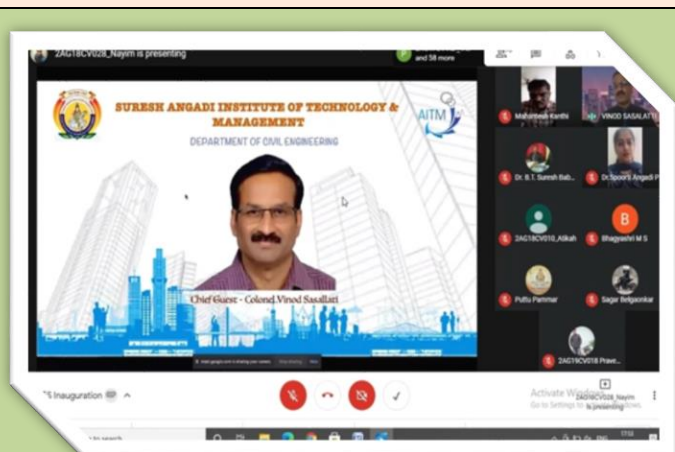

To provide quality education in the field of Civil Engineering and to develop competent engineers with a global perspective.

Mission:

- M1: Adopt relevant pedagogical approaches supported by the adequate infrastructure.
- M2: Instill ability amongst students to collect data, experiment, analyze, design and interpret the outcomes concerned with the specific domain.
- M3: Inculcate professional competence, personal and inter personal skills to groom students to become globally competent.

INAUGURAL CEREMONY OF ACTIVITIES BY “ASSOCIATION OF CIVIL ENGINEERING STUDENTS”

Department of Civil Engineering, AITM organized virtual Inaugural ceremony of Activities by “Association of Civil Engineering Students”(ACES) and Fresher's day on 4th May 2021. The Function was graced by Chief guest Col. Vinod Sasalatti, Dy. CE, BMRTC, Bengaluru, and Presided by Dr. Spoorthi Patil , Director, SAEF.

WEBINAR ON GATE/ESE ACE ENGINEERING ACADEMY, HYDERABAD

Department of Civil Engineering, AITM, Belagavi in association with ACE Engineering Academy, Hyderabad, organized a webinar on 28th June 2021 for 3rd and 4th year students of Civil Engineering Department. Resource person Mr. S Manimohan Trinath GATE/ESE trainer, ACE Engineering Academy Hyderabad, addressed the students on "Career opportunities after B.E/ B.Tech". Prof. M. V. Kanthi, HOD Civil Engineering Department presided the event.

WEBINAR ON, “CAREER OPPORTUNITIES FOR CIVIL ENGINEERING GRADUATES ”

Association of Civil Engineering Students, Department of Civil Engineering, successfully Organized Webinar on, “ Career Opportunities for Civil Engineering Graduates ” on 10th July 2021. Resource Person Shri. D. R. Kumaraswamy, Former Chief Environmental Officer, KSPCB, Honorable Director, Prakruthi Institute of Environmental Studies, Belgaluru, addressed students regarding Industrial need and current scenario in Civil Engineering field.

SEMINAR ON THE TOPIC "INDIA'S FREEDOM STRUGGLE"

Departments of Civil Engineering AITM in Association with Visvesvaraya Technological University, successfully conducted seminar on the topic "India's Freedom Struggle" on account of 75th Independence Day celebration on 16/08/2021. Chief Guest Shri Ramesh Gangur, MD, Engineers Computer Academy, Belagavi for enlightening about India's freedom struggle, contribution of India in the field of science, education and research before and after Independence.

GRADUATION DAY 2021

Department of Civil Engineering, SAEF's Angadi Institute of Technology and Management (AITM), Savagaon Road, Belagavi, Karnataka organized the 9th Graduation day for the batch 2017-2021 on 21st of August 2021 at 11:00 AM. Chief Guest Col. Sanjeev Patil motivated the graduating students to think of innovation, explained strength in team work, leadership qualities and contribution of youth in Nation building. Dr. Anand B. Deshpande encouraged all the students with the presidential remarks, motivated the students to reach greater heights in their careers and down-to-earth in their nature.
