Head of the Institute	Message
 <p>Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p>Prof. M. V. Kanthi HOD</p>	<p>The department of Civil Engineering was established in the year 2009. The department offers four years Bachelors Degree (B. E.) course in Civil Engineering and two years Post Graduate course (M. Tech.) in Waste Water Management, Health & Safety Engineering. The department is a recognised research centre under Visvesvaraya Technological University, Belagavi since 2017. The department has well qualified faculty, with good experience in academics, research and industry. To impart quality education the department has ICT enabled spacious class rooms and state of the art laboratory facilities. Department library holds a good number of books, references and study materials.</p> <p>It has been a continuous endeavour to provide a strong foundation in basic sciences and technical knowledge to students make students globally competent. Apart from giving the fundamental inputs to the aspiring students, they are also exposed to the recent developments in construction industry by means of industry-institute interaction.</p>

Institute Vision and Mission

Vision

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

AITM

Department Vision and Mission

Vision

To provide quality education in the field of Civil Engineering and to develop competent engineers with a global perspective.

Mission

- M1: Adopt relevant pedagogical approaches supported by the adequate infrastructure.
- M2: Instill ability amongst students to collect data, experiment, analyze, design and interpret the outcomes concerned with the specific domain.
- M3: Inculcate professional competence, personal and inter personal skills to groom students to become globally competent.

INDUSTRY VISIT – AIRPORT BELAGAVI

Department of Civil Engineering, Angadi Institute of Technology and Management -AITM, Belagavi organized Airport Visit for Civil Engineering students. A session was conducted by Mr. Bala, Airport Civil Engineer at Belagavi. He explained about the scenarios in airport operation. Students were allowed to see the functioning of each unit of the airport and their queries were also answered by the airport engineer. He gave us all general information regarding the Terminal Building, Air Traffic Control Room, Signal Towers, Runway, Taxiway, apron, cooling pit, Aviation light Signals etc. Undoubtedly this visit contributed a whole lot of knowledge transfer from the field engineer to the students. Assistant Professor's from Department of Civil Engineering accompanied the students.

BEST STUDENT PROJECT

M. Tech Project “Study on Recovery of Wax from sugarcane Industrial Press Mud for the improvement of Agricultural Soil Fertility” by Mr. Shreedhar Ullagaddi under the guidance of Dr. B.T Suresh Babu was selected for 46th series of Student Project Programme Seminar and Project Exhibition: 2022-23 KSCST State Level held at Alva's Institute of Engineering and Technology, Moodubidire on 11th and 12th August 2023 and has been awarded as “Best Project of the year.

ENGINEERS DAY

Engineer's Day was celebrated on 15th September 2023 on the birth Anniversary of Bharat Ratna awardee Sir M. Visvesvaraya. Video on the History of Sir M. Visvesvaraya with his contribution in the field of Engineering was shown to the audience.

Dr. D. H. Rao, Professor inspired the audience with his wonderful thoughts. Dr. B. T. Suresh Babu, Professor of Civil Department and Mr. Sadanand Dodamani, Associate Professor of Mechanical Department, Polytechnic enlightened the audience with talk on life of Sir M. V. Visvesvaraya.

FACULTY ACHIEVEMENT
