Head of the Institute	Message
 <p data-bbox="170 558 548 674">Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results.</p> <p>AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest.</p> <p>The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p data-bbox="159 1444 558 1560">Prof. Sagar Belgaonkar M. Tech, (Ph. D)</p>	<p>Welcome to the Department of Civil Engineering.</p> <p>We as a department are dedicated to disseminating knowledge across the broad fields of civil engineering. Our aim is to educate students in the capacity to analyse, design and interpret outcomes of specific domain to inculcate professional competence, personal and interpersonal skills to groom students to become globally competent. The department adopts outcome based education [OBE] concept and follows Choice Based Credit System [CBCS] in its teaching –learning- evaluation process.</p> <p>Our department houses three dynamic divisions: Undergraduate, Post Graduate and Research centre, which explores the interplay between Technical, Practical, experiential, collaborative teaching and learning experiences, which prepares students for careers in broad fields of civil engineering.</p> <p>The dedication of our faculty and the enthusiasm of our students continue to inspire me as head of this vibrant department. Our collective effort to educate students who are prepared to engage with society effectively and succeed in their professional endeavours makes me proud.</p> <p>I encourage you to explore our Department and discover the diverse educational opportunities that are available to both undergraduate and graduate students. If you want to get closer to our departmental pursuits or have any inquiries about our initiatives, feel comfortable</p>

Institute Vision and Mission

Vision

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission

M1: Develop competent human resources, adopt outcome-based education (OBE) and implement cognitive assessment of students.

M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life- long learning) amongst the students.

M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision

To provide quality education in the field of Civil Engineering and to develop competent engineers with a global perspective.

Mission

M1: Adopt relevant pedagogical approaches supported by the adequate infrastructure.

M2: Instill ability amongst students to collect data, experiment, analyze, design and interpret the outcomes concerned with the specific domain.

M3: Inculcate professional competence, personal and inter personal skills to groom students to become globally competent.

Inauguration ceremony of Association of Civil Engineering Students 2024-2025

The inauguration ceremony of Association of Civil Engineering Students and welcoming of fresher's, was held by the Department of Civil Engineering, Angadi Institute of Technology and Management -AITM, Belagavi on Tuesday 24th September 2024.

The occasion marks the commencement of association activities along with welcoming the 2024-2025 batch students to the department.

The occasion was graced by the presence of esteemed guests. Er. Ramesh Tubachi, President of the Consulting Civil Engineers Association, Belagavi, served as the Chief Guest. In his insightful address, Sir highlighted emerging construction technologies and the numerous opportunities available in the civil engineering field. Sir urged students to explore new trends and adopt advanced techniques to remain competitive in the evolving industry.

Er. Veeresh Shettannavar, Secretary of the Consulting Civil Engineers Association and Guest of Honor, emphasized the importance of ethical practices, workforce management, and maintaining quality standards in civil engineering projects.

Presiding over the function, Dr. D. H. Rao, Academic Advisor, AITM, spoke about the growth of infrastructure development in India, recent advancements in civil engineering and also recognized the marvels achieved by civil engineers in the modern era.

Mr. Sagar Belgaonkar Head of Civil Engineering Department, Prof. Gopal V. Surapalli, Association coordinator, presided the function.

The inaugural ceremony began with invocation song and lamp lighting, followed by welcoming the gathering by Mr. Sagar L Belgaonkar.

Mr. Sagar L Belgaonkar addressed the the students and stressed upon the association

and its activities, he also welcomed the 3rd semester students to the department of civil engineering.

Prof. Gopal Surapalli presented the association activity report of the year 2023-2024.

The event also honoured the academic achievements of the department's toppers, who were felicitated by the Chief Guest, Guest of Honor, and the President of the function.

Engineer's Day 2024

The Department of Civil Engineering at Angadi Institute of Technology and Management -AITM, Belagavi organized a grant event to commemorate Engineer's day, in honour of the visionary Bharat Ratna Sir Moksha Gundam Visvesvaraya and engineers across the nation. This annual celebration acknowledges the remarkable contributions of engineers in shaping the world and reinforces the commitment to uphold professionalism, integrity, and the pursuit of excellence in the field.

The occasion was graced by the presence of esteemed guests. Er. Ramesh Tubachi, President of the Consulting Civil Engineers Association, Belagavi, served as the Chief Guest. In his insightful address, Sir highlighted emerging construction technologies and the numerous opportunities available in the civil engineering field. Sir urged students to explore new trends and adopt advanced techniques to remain competitive in the evolving industry.

Er. Veeresh Shettannavar, Secretary of the Consulting Civil Engineers Association and Guest of Honor, emphasized the importance of ethical practices, workforce management, and maintaining quality standards in civil engineering projects.

Presiding over the function, Dr. D. H. Rao, Academic Advisor, AITM, spoke about the growth of infrastructure development in India, recent advancements in civil engineering, and the lasting legacy of Sir M. Visvesvaraya. Sir also recognized the marvels achieved by civil engineers in the modern era. The event also honored the academic achievements of the department's toppers, who were felicitated by the Chief Guest, Guest of Honor, and the President of the function.

The program was hosted by Mrs. Shruti Umare and Miss Bharati Kulkarni, with the welcome address delivered by Mr. Sagar L. Belgaonkar, Head of the Department of Civil Engineering. The vote of thanks was extended by Mr. M.A. Hanchinal, Assistant Professor, Department of Civil Engineering.

The successful organization of Engineers' Day at AITM was made possible through the unwavering support of the institution's management, under the leadership of Dr. Spoorti Angadi Patil, Director of SAEF, Shri Raju Joshi, Administrator of SAEF, and Dr. Anand Deshpande, Principal and Director of AITM.

This Engineers' Day celebration was a testament to the institute's dedication to nurturing future engineering leaders, equipped with the knowledge and skills to contribute meaningfully to society's sustainable development.

Orientation Program for 3rd Semester Students and Parents

The Department of Civil Engineering at Angadi Institute of Technology and Management (AITM) organized a comprehensive Orientation Program for 3rd semester students and their parents for the Academic Year 2024-2025 on 19th August 2024.

The program aimed to provide a detailed overview of the academic and institutional expectations while fostering a strong connection between students, parents, and the faculty.

The orientation program addressed the following key points:

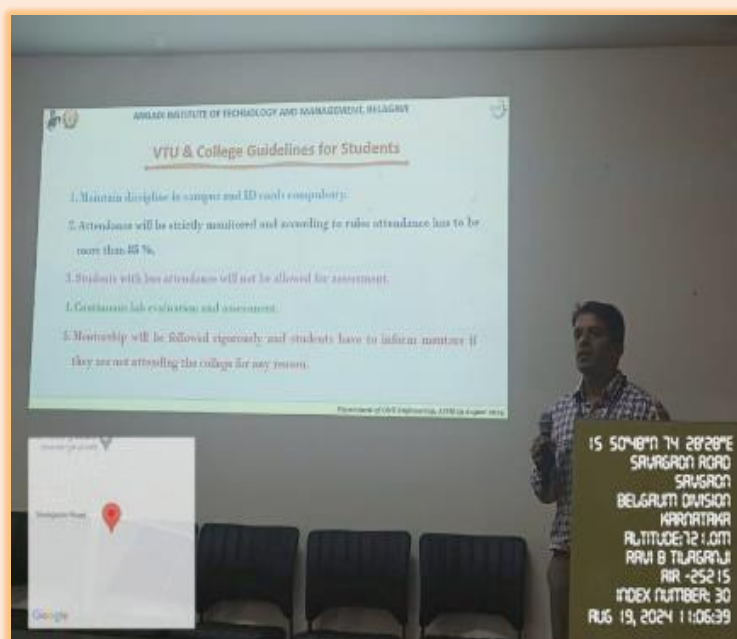

Academic Requirements: Detailed insights into the academic expectations set forth by the University and the Institute were provided, ensuring that students and parents are well-informed of the academic commitments required for the upcoming semester.

Vision and Mission Awareness: The Vision and Mission of the Institute and Department were communicated, alongside the Program Educational Objectives (PEOs), Program Outcomes (POs), and Program Specific Outcomes (PSOs), to align students and parents with the department's educational goals.

Accreditation Details: Information regarding the National Board of Accreditation (NBA) and National Assessment and Accreditation Council (NAAC) accreditation of the department was shared, highlighting the department's commitment to maintaining high academic standards.

Department Profile and Facilities: An overview of the Civil Engineering Department's profile, including the state-of-the-art laboratory facilities, was provided, underscoring the resources available to students.

Achievements: The accomplishments of both

the Department and Institute were showcased, celebrating milestones and success stories.

Rules and Regulations: The program emphasized the importance of adhering to the rules and regulations of the University (VTU) and the Institute, ensuring students and parents understand the guidelines that govern academic and disciplinary standards.

Academic Calendar: The academic calendar for the year 2024-2025 was presented, detailing important dates and deadlines to ensure students are well-prepared throughout the academic year.

Class Timetable and Registration: Students were briefed on the class timetable and the registration process within the department, facilitating a smooth transition into the new semester.

Event Report: A report on the activities conducted during the Academic Year 2023-2024 was presented, highlighting the department's vibrant academic and extracurricular environment.

Parent-Faculty Interaction: A session dedicated to interactions between parents and faculty members allowed for discussions on academics, curriculum, facilities, and other pertinent issues, fostering an open dialogue.

The program commenced with Prof. Sagar L. Belgaonkar, Head of the Department of Civil Engineering, who highlighted the Institute and Department's overview and discussed the importance of NBA awareness. Following this, Prof. Ravi B. Tilaganji elaborated on the curriculum and the evaluation scheme for the 3rd semester. Prof. Gopal V. Surapalli provided insights into the department's activities during the previous academic year and outlined the academic plan for the year ahead. Dr. B.T. Sureshababu discussed the department's laboratory facilities, while Prof. Ashok Hipparagi focused on the rules and regulations of the University and Institute. Prof. M.V. Kanthi further explained the

academic requirements specific to the University and Department.

The program concluded with a vote of thanks proposed by Mr. M.A. Hanchinal, expressing gratitude to all participants for their active involvement in the orientation.

Faculty achievement

Mr. Sagar L Belgaonkar's made a remarkable achievement of completing 600 BRM (Krishna 600) and achieving the prestigious title of "SUPER RANDONNEUR" On October 28, 2023, Mr. Sagar L Belgaonkar, Assistant Professor, Department of Civil Engineering, Angadi Institute of Technology and Management - AITM, Belagavi achieved a significant milestone by successfully completing the 600-kilometer Brevet Randonneur Mondiaux (BRM), known as "Krishna 600," organized by the Hubballi Bicycle Club.
